PROFILE SUMMARY

Enthusiastic Frontend Developer with 1 year of internship experience in designing and implementing responsive web applications. Proficient in HTML, CSS, and JavaScript, with hands-on experience using frameworks like React and Bootstrap. Strong understanding of user interface principles and best practices for enhancing user experience. Collaborative team player with effective communication skills, adept at working with cross-functional teams to achieve project goals. Seeking to leverage skills in a challenging frontend development role.

PROFESSIONAL EXPERIENCE

Front End Develeoper Intern, [Besant Technologies]
November 2023 – present

Developed responsive web applications using HTML, CSS, and JavaScript, improving user engagement by 20%. Conducted testing and debugging of applications to ensure high-quality performance across multiple browsers and devices.

PROJECTS

PERSONAL PORTFOLIO WEBSITE

November 2023 – Present
Tool: HTML, CSS, JAVASCRIPT

Description:

Created a personal portfolio website to showcase projects, skills, and professional achievements. The website features a clean, modern design with responsive layouts, interactive elements, and a blog section for sharing insights. Integrated contact forms and social media links to enhance user interaction and engagement.
Roles:

- **Design Implementation:** Developed the website layout using HTML and CSS, focusing on a responsive design for optimal viewing on all devices.
- **JavaScript Functionality:** Added interactive features such as smooth scrolling, animations, and dynamic content loading to enhance user experience.
- **Content Management:** Managed and updated website content, including project descriptions and blog posts, ensuring relevant and engaging material.
- **Testing and Debugging:** Conducted usability testing and debugging across various browsers, ensuring consistent functionality and performance.
- **Version Control:** Utilized Git for version control, enabling collaborative development and tracking changes throughout the project lifecycle.
